

What information do I need to create an FSA ID (electronic signature for the FAFSA) and to complete my 2017-2018 FAFSA?

Student:

- If you worked in 2015 and filed taxes, **please bring your 2015 Tax Return.**
- If you worked in 2015 and are not required to file taxes (usually because you did not make the amount of money the IRS requires a tax filer to make), **please bring all W-2 statements received from your employers.**
- Your **Social Security Number** and **Date of Birth**
- Your **email address and the password** to access your email (if you do not have an email address, we can create one for you during your appointment)
- The month and year your parents were married, divorced, separated or widowed

Parents:

- If you worked in 2015 and filed taxes, **please bring your 2015 Tax Return.**
Please note: If you are married and filed separately, you and your spouse's 2015 Tax Return are required.
- If you worked in 2015 and are not required to file taxes (usually because you did not make the amount of money the IRS requires a tax filer to make), **please bring all W-2 statements received from your employers.**
Please note: If you are married and neither you nor your spouse are required to file taxes, you and your spouse's W-2 statements are required.
- Your **Social Security Number** and **Date of Birth**
- Your **spouse's Social Security Number** and **Date of Birth**
- If you are **separated**, please know the **month and year your separation began.**
- If you are **divorced**, please know the **month and year your divorce was finalized.**
- Your **email address and the password** to access your email (if you do not have an email address, we can create one for you during your appointment)

FYI:

- **Students and Parents: if you did not have any income in 2015, that DOES NOT prevent you from being eligible to receive federal funds to attend college**
- **If you have any questions or if you believe you have special circumstances in regards to the information above, please contact Terrance Johnson**
